### **A Very Short, Fairly Interesting and Reasonably Cheap Book ...**

"Very Short, Fairly Interesting" is British understatement if I've ever heard it. If you're studying business or organizational management, this book succinctly lays out the philosophic tensions that underlie much of modern theory, and in doing so, lends sense to the many conflicting business remedies being thrown about today.

### **A Very Short, Fairly Interesting and Reasonably Cheap Book ...**

Written for students who want to question what they are learning in their leadership course but are short on time, this entertaining and accessible book will be the perfect accompaniment to any course on leadership. With controversial ideas and funny stories, it covers topics that readers will recognize from their course and some new but equally important areas to challenge their thinking.
