## **JCB - Service Manual Download**

A T4 Final-compliant JCB forklift is a product of our Efficient Design Program and, as such, uses up to 11% less fuel than an outgoing Tier 3 model. Because its peak power and torque are produced at low engine speeds, EcoMax provides fuel-efficient matching of transmission and hydraulics. A simple, robust 4-speed synchromesh transmission helps ...

The yellow color of special equipment was first used by Caterpillar - a brand with a long history of special equipment production. JCB cars were originally painted blue and red. But the decision to change the color was made, first of all, because the yellow color on the construction site draws attention to itself, which means it calls for attention.
