Start up of 10HP listeroid diesel engine. Lister clone

The parts of the flywheels that were facing down got no paint at all. No paint on the gas tank under the straps that hold it on. You'd never be able to make, and sell a product like this within the US. On careful inspection I found a couple pockets of casting sand in the sump. This would probably destroy the bearings and the bore in pretty short order. so careful cleaning was required and ...
