London Fields by Martin Amis - Goodreads

London Fields, often regarded as the strongest of Martin Amis's novels, is commonly considered as the middle part of his London trilogy, along with Money (1984) and The Information (1995). It's been an enduring success, and there have been several attempts to adapt the novel for film. It is innovative, a state-of-the-art literary work, which reflects Amis's clairvoyant vision of London.
