Lodish teaches undergraduate and graduate courses in cell biology and biotechnology. Arnold Berk is Professor of Microbiology, Immunology and Molecular Genetics and a member of the Molecular Biology Institute at the University of California, Los Angeles. Dr. Berk is also a fellow of the American Academy of Arts and Sciences.

Molecular biology of the cell Bruce Alberts ... [et al ...

Molecular Biology of the Cell is the classic in-depth text reference in cell biology. By extracting fundamental concepts and meaning from this enormous and ever-growing field, the authors tell the story of cell biology, and create a coherent framework through which non-expert readers may approach the subject. Written in clear and concise language, and illustrated with original drawings, the ...

Molecular Cell Biology: Amazon.co.uk: Harvey Lodish, James ...

Molecular Cell Biology stands out from its peers in this course in that it provides a clear introduction to the techniques and experiments of scientists past and present, not just an "encyclopedia" of information. This experimental emphasis, together with a solid pedagogical framework in the chapters, provides the clearest, most cutting-edge text available.
