Nissan Versa 2007-2011: problems, fuel economy, engine, photos

I have had my 2010 Nissan Versa SL hatchback in the nissan dealership so many times for the extremely loud engine noise. They keep telling me that it is a normal noise. It sounds to me like the rods are going to fly out of the engine. When I put the car in drive or reverse, it gets even louder. I am just under 35,000 miles on the car.
