Search Tips. Phrase Searching You can use double quotes to search for a series of words in a particular order. For example, "World war II" (with quotes) will give more precise results than World war II (without quotes). Wildcard Searching If you want to search for multiple variations of a word, you can substitute a special symbol (called a "wildcard") for one or more letters.

I purchased this eBook because it was a requirement for my nursing course. In my opinion, it is very informative and interesting. This eTextbook provides very detailed information about how to become an effective educator (as an RN and in general), so that the learner's (a patient or a student) acquired knowledge is at her and/or his optimum level.
