Working at PACCAR | Glassdoor

Forget the Paccar MX. level 2. 1 point · 2 years ago. Can't get the ISX anymore either it's now either a signature or cummins XF. Continue this thread ... As far as older engines, The Cummins N14 and Detroit S60 are legendary. I personally think the Detroit S60 is probably the best engine ever made.

Our new beast with Paccar mx 13 ... - The Truckers Forum

The Paccar MX engine is made by DAF and is a completely different engine in the 15 Liter than the ISX which is built by Cummins. I can tell you from experience that and MX will not pull like a cummins nor will it get as good a fuel mileage. My 450 Cummins powered trucks get consistently better mileage than the MX.

2 Paccar Reviews and Complaints @ Pissed Consumer

The engine has done an incredible job for DAF and Kenworth, and increasingly it is becoming a prominent factor in everything Paccar does across the globe. Vitrally, DAF has been the design and technology platform for Paccar's hugely successful push with the MX engine range into North America.

Talking about MY PACCAR MX-13 Engine (Kenworth T680)

I am currently in the market to possibly buy a new truck in the Summer/Fall of 2014. May end up going used, but that is beside the point for now. If you were to buy a brand new truck (not a glider), and had the above 4 engines to choose from (obviously, a couple of the choices are going to...

Paccar MX-13: DAF CF85-510's engine review | Review

Kenworth buyers now have the option of the traditional red engine or the silver in-house power plant. When I say 'its own engine' I mean the Paccar MX has come to the Kenworth stable from the other Paccar brand DAF. The engine itself is nothing new and 1,000 units have been sold in Australia since 2007 in the DAF brand.

PACCAR Reviews | Glassdoor

Paccar didn't even start making engines until a few years ago. I think @Mike has a Paccar engine in his Kenworth. Probably not the same model as yours. The US government didn't give the engine manufacturers enough time to develop emissions systems to meet requirements & it resulted in years & years of garbage being produced.
