After a good friend was dumped by text message, Michael Dean took to his wife's blog to call for the responsible use of technology in a relationship. "I was just getting tired of hearing over and over of guys looking for an easy way out for break-ups, or simply not responding over text message so I wrote a blog post for Ruthie's blog, called 'Real Men Don't Text,'" Michael told The Christian Post.

Tyndale | Real Men Don't Text: A New Approach to Dating

When I offered to review Real Men Don't Text, I thought the book was written to men regarding how to engage women in real relationship, rather than controllable, safe, text exchanges to keep them at arms' length. I was pleasantly surprised to discover that the book is actually written to women in order to warn them about manipulative relationships.
