In theory he could have dumped the bodies on the side of the road somewhere, ... I'm not quite sure what you are saying above "the #1 reason Watts may be telling the truth may also be the #1 reason he's lying" but I think it's akin to the sound of one hand clapping.

Is there any truth behind the Covid-19 conspiracy theories?

A big lie (German: große Lüge) is a propaganda technique. The expression was coined by Adolf Hitler, when he dictated his 1925 book Mein Kampf, about the use of a lie so "colossal" that no one would believe that someone "could have the impudence to distort the truth so infamously". Hitler believed the technique was used by Jews to blame Germany's loss in World War I on

Truth | philosophy and logic | Britannica

Truth is usually held to be the opposite of falsity. The concept of truth is discussed and debated in various contexts, including philosophy, art, theology, and science. Most human activities depend upon the concept, where its nature as a concept is assumed rather than being a subject of discussion; these include most of the sciences, law, journalism, and everyday life.
