Read PDF The Successful Child What Parents Can

Parents who set and enforce reasonable boundaries raise confident, successful children. Dr. Nancy Darling and Dr. Linda Caldwell found that effective parents explain the logic of the rules to their children. These parents state the principles behind the rules. In so doing, they form a closer, more understanding relationship with their children.

Great parents simply want their children to have the optimum chance of success.

Regardless of outside influences, all parents can instil values in their children to ensure they grow up to be healthy, responsible, successful adults. 1.

Teach respect. Parents should instil a sense of respect in their children.
